Find the Cateraide to best fit your needs. All Cateraides are NSF Listed and made of rugged, stain- and scratch-resistant polyethylene.

BEST

Carlisle brings you the best in temperature retention products with the redesigned Cateraide IT insulated transport line. The Cateraide's sturdy construction offers a long-lasting product and the thick foam insulation holds temperatures in the safe zone for over 6 hours. The new, sleek design gives an updated, contemporary look to any table setting.

BETTER

Carlisle's better line of Cateraides offers an ergonomic design for easy loading, handling, stacking and storing. The patented* Slide 'N Seal's lids and doors glide shut and stay closed without latches or gaskets. Slide 'N Seal's metal-free line makes it the perfect fit for correctional facilities.

*Slide 'N Seal Pan Carrier Patent No. 7,134,552

GOOD

Pan carriers have exclusive, automatic, self-venting system. LD beverage servers have easy-grip, formed handles for easy transporting.
