## FLOOR BRUSHES

### Flagged Polypropylene:

orange poly. Block is 2-7/8" wide and 7/8" thick. Trim 3".

Gray Poly	100118	100124	100136
Gray Poly	100718	100724	
Orange Poly	101818	101824	

### Black Tampico:

2-1/2" trim. Block is 2-7/8" wide and 7/8" thick.

		24"	30"	
	100218	100224	100230	100236
-1/2" Trim	100418	100424		100436

### Black Polypropylene:

Block is 2-7/8" wide and 7/8" thick. Trim 3".

		18"	24"	
	100316	100318	100324	100336
		100918	100924	

### Horsehair Blend:

Mixture of horsehair and plastic bristle.

Block is 2-7/8" wide and 7/8" thick. Trim 3".

	100518	100524	100536
--	--------	--------	--------

### Horsehair Blend / Tampico Center:

Mixture of horsehair and plastic bristle to sweep fine particles while the Tampico center will move slightly heavier items.

Block is 2-7/8" wide and 7/8" thick. Trim 3".

	101718	101724	101736
--	--------	--------	--------

### Brown Poly Border / Heavy Maroon Poly Center:

For medium to heavy sweeping. Great for industrial applications. Block is 2-7/8" wide and 7/8" thick. Trim 3".

	101118	101124	101136
--	--------	--------	--------

**Black Tampico / Wire Center:** For medium to heavy sweeping. More aggressive sweep moves larger material while still cleaning surface dirt. Block is 2-7/8" wide and 7/8" thick. Trim 3".

101618      101624

**Flagged Orange Border / Stiff Orange Center:** For medium sweeping. Flagged polypropylene border sweeps fine dirt while the stiff polypropylene center moves heavier material. Block is 2-7/8" wide and 7/8" thick. Trim 3".

101018      101024      101036  
101918      101924

**Flagged Gray Border / Black Poly Center:** For medium sweeping. Soft border sweeps fine dirt while the medium center moves heavier material. Block is 2-7/8" wide and 7/8" thick. Trim 3".

101218      101224

**BOLT-ON STYLE**

**Flagged Gray Polypropylene:** Block is 2-7/8" wide and 7/8" thick. Trim 3". Use #144160 Bolt-On Handle

100624      100636

# GARAGE BRUSHES

## UTILITY ROTARY SCRUB

Round wood block filled with black nylon for automotive upholstery cleaning and general scrubbing. Fits 1/2" dia. shank powered equipment. 12/ctn

**5" Dia.**

**550405**

## PAD DRIVERS AND ACCESSORIES

If you prefer to maintain floors with rotary pads, choose a Pad Driver that is balanced, reliable, and strong. We offer four styles with a full range of mounting hardware.

### Short Bristle

Blue, straight, stiff 0.040" poly bristles with 1/2" trim to drive all pad styles.

**Molded with a 1 1/2" riser for extra height clearance.**

*\*Sizes 10" & 11" come with a 1/4" riser.*

Sizes: 10" thru 21" Item Numbers: **630110 thru 630121**

### Long Bristle

Black, straight, stiff 0.040" poly bristles with 1" trim to cushion and drive any pad or carpet bonnet.

Sizes: 10" thru 21" Item Numbers: **630210 thru 630221**

### Harpoon Style

Double-row, "Velcro style" hooks will hold any style pad.

Injection molded hook sheet is bonded to the high-density plastic block.

**Molded with a 1-1/2" riser for extra height clearance.**

Sizes: 13" thru 20". Item Numbers: **630513 thru 630520**

### High-Speed Harpoon Style

For 300-1000 rpm machines. Harpoon hook sheets are mounted over a 1/2" thick, vibration absorbing foam pad. **Molded with a 1-1/2" riser for extra height clearance.**

Sizes: 15" thru 20". Item Numbers: **630715 thru 630720**

## PAD CENTERING DEVICES

The molded plastic attachment mounts to the underside of a bristle-style and harpoon style pad driver. The snap-in cover locks the pad to the pad driver for operation and transit. Item Number: **720105**

Made of durable plastic with solid prongs, this pad centering device has a snap-in cover to lock the pad, firmly securing it to the pad driver. Item Number: **720205**

## A Complete Pad Driver Order

When ordering a pad driver, be sure to include:

- Pad driver part number
- Clutch plate or lug set part number
- Pad-centering accessory part number.

**Short Bristle pad drivers have a 1-1/2" riser molded into the block.**

Buffer pad drivers typically have a diameter 1" smaller than the buffer size.

## MULTI-PURPOSE ROTARY BRUSHES

Our Multi-Purpose Brushes provide you durable and economical options. Our long-lasting Nylon series and the Poly series can be used for carpet or hard surfaces. Shower feed blocks available in 14" thru 21" only. Half-inch sizes and custom center hole size brushes are available for special order.

### Stiff Poly Brush

*General-purpose scrub brush for medium to heavy soils on concrete and coated floors.*

Blue crimped .030" poly bristles. Economical, but shorter life than nylon.

Sizes: 10" thru 21" with 1/4" bristle trim. Item Numbers: **660110 thru 660121**

### Soft Poly Brush

*Lighter-duty scrubbing on waxed or finished floors.*

Yellow .020" poly bristles. Aggressive as soft nylon. Economical but shorter life than nylon.

Sizes: 10" thru 21" with 1/4" bristle trim. Item Numbers: **660410 thru 660421**

### Stiff Nylon Brush

*Long lasting, general-purpose scrub brush for medium to heavy soils.*

White .030" nylon bristles soften when wet and will not scratch finished floors.

Sizes: 10" thru 21" with 1/4" bristle trim. Item Numbers: **660210 thru 660221**

### Soft Nylon Brush

*General-purpose scrub brush for light to medium soils on softer floor finishes.*

Black .020" nylon will not scratch tile, terrazzo or coated surfaces.

Sizes: 10" thru 21" with 1/4" bristle trim. Item Numbers: **660310 thru 660321**

### Tampico Polishing Brush

*Softest fibers mix for buffing / polishing finished floors.*

Economical and acid resistant. Replaces more than 100 white pads.

Sizes: 10" thru 21" with 1/4" bristle trim. Item Numbers: **690110 thru 690121**

### Union Mix Brush

*Mix of Bassine & soft Tampico natural fibers for light scrubbing and polishing of decorative floors. Shorter life than poly or nylon.*

Sizes: 10" thru 21" with 1/4" bristle trim. Item Numbers: **610110 thru 610121**

### Bassine Scrub Brush

*General purpose scrub brush.*

Water absorption of the fibers allows for an economical choice for hard surface scrubbing.

Sizes: 10" thru 21" with 1/4" bristle trim. Item Numbers: **600110 thru 600121**

**PRO TIP:** Your Bassine brush will need a break-in period before the first use to prevent bristle breakage. Soak brush in water until bristles soften, rinse and hang to dry!

## NYLON GRIT ROTARY BRUSHES

We offer 5 different grades of Nylon fiber with silicone carbide grit. This allows you to match the aggressiveness of the brush to your cleaning task. Our grit brushes provide extra scrubbing power by impregnating carbide grit into the fiber at the point of extrusion. The grit becomes part of the bristle resulting in a rotary scrub brush that can outlast over 100 floor pads.

### 46 GRIT

*Super-aggressive, nylon grit brush for stripping & scrubbing concrete; also, for heaviest dirt & grease.*

Purple, extra stiff, 46 grit with 0.060" diameter nylon.

Sizes: 10" thru 21" with 1 $\frac{3}{4}$ " bristle trim. Item Number: **780110 thru 780121**

### 80 GRIT

*For scrubbing concrete, terrazzo and tile.*

Black, stiff, 80-Grit with .50" diameter nylon.

Outlasts over 100 black or brown pads.

Sizes: 10" thru 21" with 1 $\frac{3}{4}$ " bristle trim. Item Number: **760110 thru 760121**

### 120 GRIT

*For lighter commercial and janitorial scrubbing.*

Gray medium-stiffness bristle 120-Grit with 0.040" diameter nylon.

Outlasts over 100 blue or green pads.

Sizes: 10" thru 21" with 1 $\frac{3}{4}$ " bristle trim. Item Number: **770110 thru 770121**

### 180 GRIT

*For general wet scrubbing of resilient, non-slip flooring.*

Blue, medium stiffness, light 180-Grit with 0.035" nylon.

Outlasts over 100 blue pads.

Sizes: 10" thru 21" with 1 $\frac{3}{4}$ " bristle trim. Item Number: **750110 thru 750121**

### 500 GRIT

*For cleaning, maintaining, and spray buffing coated floors.*

Light green, flexible, 500 Grit nylon. Outlasts over 100 red or white pads.

Sizes: 10" thru 21" with 1 $\frac{3}{4}$ " bristle trim. Item Number: **740110 thru 740121**

### Wire Rotary Brush

*For stripping and heaviest duty cleaning of concrete and stone surfaces.*

The most aggressive brush on the market.

Sizes: 10" thru 21" Item Number: **620110 thru 620121**

## CARPET ROTARY BRUSHES AND ACCESSORIES

Whether you're cleaning carpet or preparing a hardwood floor for varnish, Better Brush Products has the brush you need. Nylon, poly, or natural fiber constructions are available in 12"-21" sizes with a full range of mounting hardware. Half-inch sizes and custom center hole size brushes are available for special order.

### Nylon Rotary Carpet Brush

The ideal brush for carpet rotary scrubbing - flexible and supple enough for commercial carpets, yet gentle enough for scrubbing softer carpet fibers. The heavier black .030" filament on the outer rows scrubs while carrying the weight of a floor machine. The softer white .020" filament on the inner rows gently scrubs the carpet.

Sizes: 12" thru 21" with 1 1/4" bristle trim length. Item Numbers: **660712 thru 660721**

### Poly Rotary Carpet Brush

Polypropylene filament is a lower cost alternative to nylon and is often used for less frequent cleaning (popular in the rental business). Heavier blue .030" filament on the two outside rows scrubs while carrying the weight of the floor machine. The softer yellow .020" filament on the inner rows gently scrubs the carpet.

Sizes: 12" thru 21" with 1 1/4" bristle trim length. Item Numbers: **660612 thru 660621**

### Carpet Brush Plate

This adjustable height plate mounts under a carpet brush. The smooth face of the plate rides on the carpet and bears part of the weight of the buffer, making carpet cleaning easier.

Item number **720508**

#### PRO TIP:

Before using your new carpet brush, "break-in" the bristles to prevent burns and damage to the carpet.

Begin by spinning the brush on a dry, rough floor (preferably unfinished concrete) for 10-15 minutes.

This break-in will soften the bristle tips. When you're done, rinse the brush to remove soils.

Note: Brush break-in is not required if your brush is being used on hard floors.

## SANDPAPER DRIVER

3/4" thick felt sheet smooths the sandpaper surface, absorbing vibrations and minimizing chatter.

Left-handed thread bolt design secures the cone as the machine spins in the clockwise direction.

Includes 651005 universal cast aluminum plate.

Replacement cone and left-handed bolt available for special order.

Sizes 15"-17", 19". Item Numbers: **630315, 630316, 630317 & 630319**

## MOUNTING HARDWARE AND ACCESSORIES

Better Brush Products offers the popular mounting hardware pieces required to build a complete rotary brush or pad driver. If you are searching for a clutch plate that is not listed below, please contact our customer service team for availability.

### CLUTCH PLATES

**92-Style**  
5" Center Hole  
Universal  
Aluminum Plate  
Chemically  
resistant.  
**651005**

**92-Style**  
5" Center Hole  
Plastic Plate  
Plastic flexes to  
dampen vibrations  
and compresses to  
grab driving plug.

**651405**

**Spring Locked  
Clip-On**  
5" Center Hole  
Molded Plastic  
To fit Tennant  
**651505**  
To fit Tennant  
13" & Smaller  
**654405**

**High Density  
Nylon Lug Set**  
Popular replacement  
for traditional  
steel lugs.  
Fits many  
machine models  
**651301**

**Steel Lug Set**  
Long-lasting metal  
lugs are mounted on a  
pattern to meet or  
exceed OEM specs.  
Fits many  
machine models  
**651201**

### RISERS

Hi-Density Plastic risers can increase your productivity by giving extra clearance between the top of the brush and the apron of a single brush buffer, allowing for the use of a larger block size. Mounts over the 5" center hole.

**680106** - 1" Riser with 5" Center Hole

**680206** - 1 1/4" Riser with 5" Center Hole

### SOLUTION TANK

4 Gallon capacity tank features large fill opening, brass hardware, and multi-machine mount. **720304**  
Square brackets for Nobles and Tennant machines available for special order.
